

GROUP PARTICIPATION INFORMATION

Thank you for your interest in group volunteering opportunities at Boys & Girls Clubs of Manatee County (BGCMC)! Group Volunteers assist our staff in all areas of our Clubs as well as fundraising and many special events, both in and outside our Clubs.

Group Projects are perfect for companies, organizations, churches and schools that would like to participate in a special activity at one of our Clubs or out in the community. Not only do group projects provide an immediate benefit to the young people served by BGCMC, but they can also be a great way to promote team-building and boost morale. Most importantly, they're just plain fun! Whatever your goals, our staff can help design and execute a customized project to align your company's interests with the needs at our Clubs. Examples: hosting special events for our Club members such as a Holiday Party, Sports & Fitness Field Day, leading a program in your group's area of expertise such as music, dancing, painting, planting a garden, 'adopt-a-day' Christmas Tree Fundraising Event (Nov-Dec only) and much more.

Please allow at least three weeks' notice between contacting us and the scheduled date of your project so that we can find the best Club match for you. To arrange a volunteer project, please complete the form below and return to:
