Here, great futures are started each and every day by enhancing the development of young people, like Gracie, Boys & Girls Clubs of Manatee County's 2024-25 Youth of the Year, and helping them discover a sense of purpose, competence and vision of their future.

**Today, youth in Manatee County need their Boys & Girls Club more than ever.** When you support Boys & Girls Clubs of Manatee County, you turn everyday moments into great futures for kids who need us most, especially now.

As an investor in the Keeping Kids Safe Golf Invitational, you give kids a place where they can have fun together, laugh, make friends, make mistakes and learn in the process. You are doing more than supporting art classes, sports programs, STEM activities, career exploration or a place where Club members can get additional help with schoolwork, you are also underwriting confidence, creativity and self-esteem.

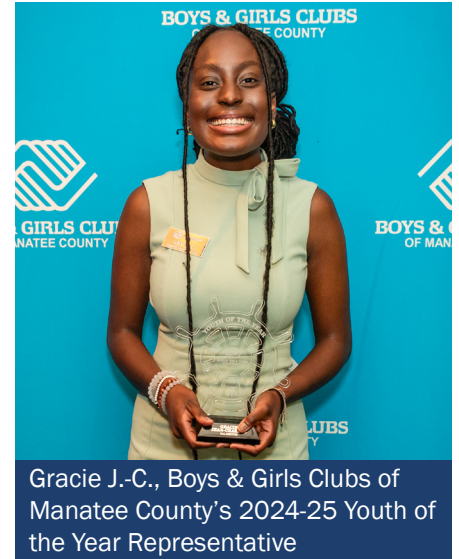

Club members come to participate in sports and fitness, academic enhancement, the arts, career exploration, leadership development, and healthy lifestyle programs. Every child who comes through the doors is treasured, respected and supported by caring adults to grasp a new reality that success is within their reach.

Support great moments, like when he won his first trophy ever!

These are the moments that add up to great futures for young people.
