Boys & Girls Clubs of Manatee County - Opening Doors to Great Futures for 80 Years!

Boys & Girls Clubs of Manatee County (BGCMC) has been impacting the lives of children in Manatee County since 1946. We are an afterschool and summer program that offers our Club members a safe place to learn and grow; life-enhancing programs; character-building experiences; hope and opportunity.

BGCMC offers daily access to a range of programs in core areas: Academic Success, Good Character & Leadership, Healthy Lifestyles, and Life and Workforce Readiness.

Why participate?

Sponsoring the 2026 Keeping Kids Safe Golf Invitational presents an opportunity to highlight your commitment to the community. Your support also provides an opportunity to network with local businesses and individuals. This is a rare opportunity to get your logo and branding in front of new customers and partners in a special environment. Most importantly, your support helps young people build confidence, character, and the skills they need to thrive.

We are asking you to help make a difference in the lives of Manatee County children and teens.

For 80 years, Boys & Girls Clubs of Manatee County has been a constant in the lives of young people in our community and we remain committed and ready to do more, but we need your help. When you support Boys & Girls Clubs of Manatee County, you're helping local kids get **Future Ready**. As an investor in the 2026 Keeping Kids Safe Golf Invitational, you help give kids a place where they can have fun together, laugh, make friends, make mistakes and learn in the process. You are doing more than supporting art classes, sports programs, STEM activities, career exploration or a place where Club members can get additional help with schoolwork, you are also underwriting confidence, creativity and self-esteem.

Club members come to participate in sports and fitness, academic enhancement, the arts, career exploration, leadership development, and health and wellness programs. Inside the Club, they discover mentors, opportunities, and the belief that their potential has no limits. And, when we open the door for them, we're not just shaping their lives — we're shaping the future of our community, our nation, and our world.

Open the door so even more kids can walk into greatness.
